Summary

Hi, my name is Agampreet (Agam) Bhullar. I am a current undergraduate student at UC Davis. I am pursuing a bachelors degree in computer science. I have tons of experience with software and technology. I am very passionate about technology and love experimenting with projects that help me expand my career skills. I am looking for a part-time job in a tech company where I can be a part of the tech culture and learn about new products.

Education

Computer Science

UC Davis, Davis , CA

06/2025

I currently finished my associates degree at a community college and transfered to UC Davis with an overall 3.73 GPA. I will be completing my bachelors in computer science at UC Davis.

Experience

Kumon math and reading center.

Manager/Tutor, San Jose, California

06/2016 - 08/2019

My job at Kumon was to help parents enroll their kids in math and reading program which helped me significantly with my customer service skills. I also tutored students in Math and Science along with assigning them with daily homework and weekly exams.

Skills

Customer service, Communication skills, Leadership, Tech Passionate, Software/Hardware experience
