SUMMARY

I'm a current undergraduate student at UC Davis where I'm pursuing a bachelor's degree in computer science. I am very passionate about software engineering. I have hands on experience with Html, CSS, and JavaScript and 6 months + experience with C++ and Java. I would love to work for a tech company to expand my career and turn my dreams into reality. I'm seeking to use my coding skills for an entry-level position at a tech company.

SKILLS

- Html, CSS: Advanced
- C++: Advanced
- Java: Intermediate
- JavaScript: Intermediate
- Python: Intermediate
